

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

AS AMENDED TO MARCH, 1907.

§

The name of the association is THE UNIVERSITY CLUB.

II.

The officers of the Club shall be a President, a Vice-President, a Secretary, and a Treasurer.

III.

The President, and in his absence the Vice-President, shall preside at the meetings of the Club and of the Council. In the event of their absence, a meeting of the Club or of the Council may elect its presiding officers. The President shall, with the Secretary, sign all written contracts and obligations of the Club, and shall perform such other duties as the Council or the Club may assign him.

IV.

The Treasurer shall collect all entrance fees and all dues, and shall keep the accounts of the Club, and report thereon at

each regular meeting of the Council. His accounts shall be audited by the Auditing Committee semi-annually. He shall pay all bills on the certificate of their correctness by the House Committee. He shall notify persons elected to membership of their election.

V.

He shall be the keeper of the seal of the Club.

VI.

1. The Council shall consist of twenty members, five of whom shall be elected by ballot at each Annual Meeting of the Club, to replace the outgoing class and to take office at the expiration of the term of such outgoing class. They shall hold office for four years, or until the fourth Annual Meeting after their election. The Council shall have general charge of the affairs, funds, and property of the Club. They shall have full power, and it shall be their duty to carry out the purposes of the Club according to its Charter, Constitution, and By-Laws.

2. The Council shall, as soon as may be after each Annual meeting, elect from its own body a President, Vice-President, Secretary, and Treasurer, who shall hold office until the third Saturday of the succeeding March, and until their successors are elected.

At the Annual Meeting to be held on the second Saturday of May, 1879, twenty members shall be elected by ballot, who shall constitute the Council, and who shall hold office as provided in Article VI. of this Constitution, and thereafter at each Annual Meeting five members shall be elected by ballot as members of the Council (to replace the outgoing class), whose terms of office shall be four years. Vacancies in the other classes shall be also filled at such meeting by ballot, and a majority of the votes cast shall be necessary to elect.

2. Officers and members of the Council shall hold office during the term for which they are elected and until their successors are chosen.

3. If any vacancy shall occur in the Council, such vacancy may be supplied by election, by ballot, at a Special Meeting of the Club, to be called by the Council, provided that at least ten days' notice of such election shall have been posted.

4. Upon the written request of twenty-five members, the Council shall call a Special Meeting of the Club, which request, as also the notice of any Special Meeting, shall state the object for which the meeting is called, and at a Special Meeting no subject not so stated shall be considered. IX.

COMMITTEE ON ADMISSIONS.—ELECTION OF MEMBERS.

1. There shall be a Committee on Admissions, to consist of twenty-one members, seven of whom shall be elected by ballot at each Annual Meeting of the Club, to replace the outgoing class and to take office at the expiration of the term of such outgoing class. THE LIBRARY

REPORT FOR THE YEAR

FROM MARCH 1, 1906, TO FEBRUARY 28, 1907

The Library records show a total of 22,560 books registered since the organization of the Library, 942 volumes having been added during the past year. The number accessioned and in use on Feb. 28, 1907, was approximately 19,926. A considerable number of books in addition were on hand, but not accessioned at that date. Volumes which the Committee considered of no further value to the Library have been discarded. Some that would rarely be used have been given to other libraries from which they can be borrowed when wanted. Of the new accessions 171 were received by gift, and 697 by purchase at a cost of \$1975.12. The remaining 74 volumes added consist of current periodicals bound by the Club at a cost of \$106.34. The original cost of the periodicals is included in last year's expense account.

The growth of the Library during the past seventeen years is shown by the following summary:

Total for 18 years,				9684	1833	4529	16,046	\$30,456.61

The last column of the foregoing table includes, besides the cost of the additions for the year, the outlay for rebinding and for the binding of several gifts presented in pamphlet form.

One hundred and fifty pamphlets were added to the Library during the year.

The total running expenses of the Library, exclusive of salaries, were \$3323.28, the outlay other than for books and binding amounting to \$1126.30. Included in the latter sum is the item of \$877.52 for subscriptions to 153 periodicals, and 17 out-of-town newspapers, for 1907.

The cataloguing has been brought up to date. The cards printed and issued by the Library of Congress are used so far as possible. There are now about 32,500 cards in the cases.

The Library has on hand, either in bound volumes or arranged for reference, the sets of periodicals listed below. All those in the first list are indexed either in Poole's, Wilson's, or the Annual Library Index, and these and other indexes will be found on the table in the West Room. The rule now adopted by the Library is to retain all the periodicals, subscribed for, which are so indexed. All

other periodicals coming into the Club will be kept on file not less than one year, but at the end of each year those of the year preceding the last will be discarded and disposed of. The general policy is to accept the judgment of the index-makers on the question of permanent values, but the Committee invites suggestion and criticism regarding the lists of periodicals retained.

The New York newspapers are held for reference for six months back from the current date and a duplicate file, running five weeks back, is kept for clipping purposes. The bound set of the New York Tribune is nearly complete from 1861, and there are volumes running back to 1850. The indexes begin with 1876. The file of the London Times, unbound, dates from 1899. The following out-of-town newspapers are also subscribed for:

Atlanta Constitution
Boston Transcript
Chicago Tribune
Detroit Free Press
Hartford Courant
Indianapolis News
Louisville Courier-Journal
New Haven Register
New Orleans Picayune
Philadelphia Press
Portland Oregonian
Providence Journal
Springfield Republican
St. Louis Globe-Democrat
San Francisco Chronicle.
Washington Post

It is believed that habitual users of the Library prefer, so far as possible, to be able to find their way without

assistance. With this in view signs will be placed throughout, which will indicate the grouping of the books. Two charts or floor plans of the Library are also to be provided, one to be kept on the card catalogue case, and one on the table in the main Library. These floor plans will be filled in with the class numbers and titles corresponding to the above-mentioned signs. By these aids any main division can be quickly located. Under the main divisions, the subdivisions are indicated by the shelf guides. From one shelf guide to the next, the books run alphabetically by authors; except in the case of Biographies, where they run alphabetically by biographees.

The Committee has recently invited some twenty leading publishers to place on exhibition (under the care of the Librarian, and to be retained not more than three months), such new books as seem likely to be of interest to the Library or the members of the Club. These books will be kept in the centre of the Hall of the Library floor. They are the property of the publishers, but may be examined. Members are requested not to remove such books from the Hall. Those desiring to purchase any book so exhibited may leave an order with the Librarian, who will forward it to the publisher.

The annual Library Bulletin will hereafter be printed in the Club Book as a part of this report. The present one is extended to cover also the first two months of 1907, in order to bring the entire Library year into agreement with the fiscal year of the Club.

The demand for novels and other books of ephemeral character will continue to be supplied through a subscription library. The deliveries are made on Monday of each week. Orders for books should be left at the Librarian's desk.

The current issues of the catalogues of American and foreign booksellers and publishers are kept on file.

Members using the Library for investigation and study have the privilege of drawing on the resources of the Columbia University Library (375,000 vols.) and the collections of many university and other libraries. Requests for books under the above arrangement must be made through the Librarian of the Club.

Lock boxes in the Writing Room, built for the accommodation of private papers, manuscripts, and books, are rented to members at the rate of \$6 a year or \$1 a month.

The Club is desirous of obtaining copies of the Club Annual for 1865, 1867, and 1884-85, to complete its duplicate files. Any member possessing the Annual for one or more of these years would confer a favor on the Committee by donating the same to the Library.
